

IDALOU COLLECTION STATION

The City of Idalou will offer residential customers a collection station for the proper disposal of household items too large to place in the residential dumpsters.

Location:

900 Pecan Street

(Corner of 7th & Pecan Street,
Turn South headed towards the
Wastewater Treatment Plant)

Hours of Operation:

Saturday

8:00 a.m. to 12:00 p.m.

**Closed on City of Idalou
Holidays.**

**DO NOT place items outside fence during closed hours
as this constitutes illegal dumping.**

Rules of Use:

As per state law, this site is for the exclusive use of residents of the City of Idalou hauling household items from their own single-family residential home. In some cases, commercial establishments, business, multi-family residential property, and rental property may use the collection. The City reserves the right to refuse any load. For more information, please contact City Hall at 892-2531.

UNLOADING – Homeowners must unload their own materials and place them in the appropriate waste container.

IDENTIFICATION AND SIGN-IN REQUIRED – Homeowners must show their water bill and a driver's license with matching address and sign-in with attendant before using site. If you are a homeowner outside of the City wanting to use the Idalou Collection Station, you will be charged a small fee for dumping at the site.

ACCEPTED ITEMS – There are restrictions for types of materials accepted at this site and for the quantity/volume of items accepted at the site. Generally, the volume should not exceed the equivalent of one pick-up bed.

Accepted Items & Quantity Limitations:

With current top portion of the City of Idalou water bill and proper I.D., residents are allowed to use the site to dispose of household items that are too large to fit into residential dumpsters.

The following are the **ONLY** items taken at this site:

- **OLD FURNITURE** – limit 4 pieces per visit
- **OLD APPLIANCES** – limit 2 per visit (For health and sanitary reasons, refrigerators and freezers must be empty of all contents. Refrigerators or freezers that are not empty or with taped doors will be rejected and not allowed for drop-off. In addition, all refrigerators and freezers must have a tag showing that the FREON has been removed.)
- **SCRAP METAL** – limit pickup load or less per visit.
- **FENCE SECTIONS** – limit 100 feet and only once per year.
- **CARPET SECTIONS** – limit 2 rolls per visit.
- **YARD WASTE** – accepted only in smaller loads.
- **MISCELLANEOUS CLEANUP WASTE** – not to exceed one pickup load.

These materials may be transported in a passenger car, pickup truck or small trailer and total volume should not exceed the equivalent of a pickup bed. Loads should have a tarp over them or covered to prevent load from spilling on roadway while on route to the site.

Prohibited Users:

Anyone hauling waste from a commercial establishment, business, multi-family residential property, rental property, governmental or municipal site may be in violation of state law if using this site. Only under certain instances may a commercial establishment, business, multi-family residential property, rental property, governmental or municipal site use the collection station and will be subject to a small fee for using the site. Please contact City Hall for more information at 892-2531.

In addition, anyone receiving payment to haul waste from a residential property is in violation of state law if using this site. Violators will be identified and prosecuted for Theft of Service and Illegal Dumping.

Prohibited Wastes: (include but are not limited to)

SHINGLES TIRES BATTERIES OIL CHEMICALS

City of Idalou
301 Main Street
Idalou, TX 79329

Prohibited Items for Dumpster Disposal

Please observe the following rules when using the residential dumpsters:

Construction and demolition materials – This type of material must be disposed of by the resident or property owner at their own expense. Disposal of this material is not part of the residential garbage charge. This type of material can be hauled to the City of Lubbock Landfill (call 757-2151 for rates and directions) or you may contact one of the numerous private garbage haulers who can set roll-off boxes at your home or business.

Roofing materials and shingles - This type of material must be disposed of by the property owner at their own expense. Disposal of this material is not part of the residential garbage charge. This type of material can be hauled to the City of Lubbock Landfill (call 757-2151 for rates and directions) or you may contact one of the numerous private garbage haulers who can set roll-off boxes at your home or business.

Metal items – These types of items can be disposed of at the Idalou Collection Station, if they are generated from a single-family residence or at the landfill if they are generated by a business. Read Idalou Collection Station rules for more information.

Large items - Items too large to allow the dumpster lids to close (mattresses, uncut tree limbs, garage doors, large furniture, etc.) These types of items can be disposed of at the Idalou Collection Station, if they are generated from a single-family residence or at the landfill if they are generated by a business. Read rules under Idalou Collection Station section for more information.

Grass, leaves, brush and tree limbs - These types of items can be disposed of at the Idalou Collection Station, if they are generated from a single-family residence or at the landfill if they are generated by a business.

Brush and Tree Limb Collection Site

This site is available for residents to deposit tree limbs and brush. This material is ground up to wood chips on site, free for public pickup and use.

Location: 900 Pecan, Idalou (Corner of 7th and Pecan Street, Turn South towards the Wastewater Treatment Plant)

For questions & more information, call City Hall (806) 892-2531.
